Joan has been a blessing in my life for many years. She was one of my "YWCA" leaders when I was a young awkward teenager. She was a terrific role model to our group offering us encouragement and support. Additionally, she made us the best sugar cookies that I have ever eaten. We have continued our friendship for many years. I want to extend my prayers to Chris, Andy, Ben, and their families. May Our Heavenly Father give all of them and extra measure of His Love, His Comfort, and His Peace in the days to come,

Joan McKenzie was my fourth grade music teacher at Ware Elementary. In the 50's. She was the most beautiful and talented woman in the world to me. I was her teacher's pet since I was studying piano at that time and she picked up on my talent. She and I shared stories about our times at Ware several years ago when she and my mom were at Buckner Independent. I will always remember her with the greatest respect and adoration she deserves. I will never forget her and I pray The Lord will bless her family in these hard days.

Chris, Andy, Ben and Family, I'm so sorry to hear about the passing of Aunt Joan. I have so many fond memories of her from childhood. She was a beautiful, kind and generous lady. She gave me a Raggedy Ann doll when I was about 5 years old that I still have! Every time I look at it I think of her. Sending thoughts and prayers for all of you. Warm regards, Yvette Little McLeod

Remembering the time she accepted the invite to play the piano at our Christmas party. Class act. What a classy lady.
