Leisa Jones-Smith

DEC 21, 1976 - SEP 18, 2017

(LONGVIEW)—Leisa Jones-Smith, 40, of Longview died unexpectedly in her home on Monday September 18th, 2017. Visitation at Calvary Baptist Church in Longview will begin at 3 p.m. followed by the funeral service at 4 p.m.

Leisa was born in Longview on December 21, 1976. She was a lifetime local resident and a Pine Tree High School graduate. Leisa earned her associate degree in nursing at the University of Texas and her bachelor's degree in nursing through Baylor University. Leisa worked as an emergency room nurse at Good Shepherd Medical Center and later as a Home Health nurse. Nursing was her true calling, as her family and patients can attest.

She was a beautiful, gentle-hearted, loving and giving wife, mother, daughter, sister and best friend. Leisa was known for always presenting herself well in public with her hair fixed, perfect make-up, something in pink, bold earrings and of course...her bling! She loved sparkles and left a trail everywhere she went with her smile and laughter. She enjoyed life and investing in others.

Leisa is survived by her husband of 9 years, Longview Firefighter Scott Smith; daughters Kamryn and Kaylan Jones and Karlie Smith; parents Robert and Sheila Hayes; brothers Jeramy & wife Cheri Hayes, Curtis Ray Klima, Randy Klima, and Ricky Klima; grandparents Curtis and Robbie Kruse and Betty Hayes; aunts and uncles David Hayes, Linda Williams, Donna Fitzgerald; in-laws George & Dorothy Smith.

Leisa is preceded in death by her father Roy Klima, aunt Karen Dollahite, uncle Anthony Klima, grandmother Meta Black and grandfather Harlan Hayes.

In lieu of flowers, a Memorial Fund has been established at Southside Bank for donations under

The Scott and Leisa Smith Tragedy Fund and through PayPal at Smith.FamilyFunds@gmail.com.

I am childhood/lifelong friend of Leisa's brother,Curtis"Kirk"Klima. The only thing I remember is that we did as boys do. We picked on Leisa. She always tried to get into what Kirk and I were doing. Whether it was building car models or working on motorcycles. I am very saddened by these events. Leisa,you grew into a beautiful lady. God has a place for you in heaven. You will be missed. Love you all. And GOD BLESS.

I didn't have one so Leisa was my big sister. Growing up in a close family my cousins are my siblings. When I was little I remember sitting in her room watching her get ready for the next day of school. Even then she had a knack for fashion (even in the 80s). I remember her packing stuff in her purse and her telling me. Everyone in 6th grade has a purse. LOL. I thought she was just so cool. I wanted to be just like her. We grew up and we had kids and lives of our own but we always remained close. Now our kids are growing up and have a great relationship with each other. God gives you cousins so you will always have a best friend. I am so blessed to have had Leisa as one of mine. I will miss her contagious laugh and her sweet smile. She was one of a kind. ❤️

My thoughts & prayers to the family!!! I can honestly say anytime we had a chance to work out in boot camp she ALWAYS made me smile and usually laugh so hard I would loose my breath. Leisa had a beautiful heart and was so proud of her children and absolutely crazy in love with her husband. May she rest in peace. Praying for her children, husband and family left here. I will always have many happy memories of such a

I don't have a single childhood summer memory that doesn't include my beautiful Cousin Leisa. Whether it was lockins at the skating rink or swimming in the pond at the old farm, I can look back and remember the joy and hope those little girls shared together and I'm grateful for the time we had together and I'll mourn for the time we didn't get. Rest well and know you are loved

I pray for peace and comfort for all of you as you deal with this tragedy. Words will not get you thru this, but God and friends will! Remember to lean on both in the coming times. Leisa was a bright, effervescent person and her laugh will always be remembered. She was a great coworker in the ED and a great classmate in nursing school. May God be with both her girls and Scott during this time!

Leisa was recently one of a few coworkers who prayed with me over the death of a niece, I will remember her singing along with praise music she had playing softly in her office. I'm so glad that John4:4 tells His little children that "greater is He that is in You, than he that is in the world." Satan hasn't won this battle if she was God's child. But he has heaped grief on people she touched along with coals of fire on himself. She was on God's list of children. Satan wouldn't have had kind words and love for praising God in his bag of tricks that she had for a testimony. I pray for peace and comfort for all her loved ones.
