Randal Webb "Randy" Langham

JUL 14, 1952 - MAY 16, 2018

The Almighty God completed His work in the life of Randal Webb Langham, 65, on the evening of Wednesday May 16, 2018. Randy passed from this life to his new home in heaven in perfect peace with his family by his side.

Over the years, we were blessed to learn many life lessons from Randy. Things like: how to persevere the trials of life with grace and dignity, how to stand when you've done all you can do, how to walk daily in a relationship with Jesus Christ, and how to be steadfast, confident, and never wavering in your values and beliefs.

Professionally, Randy worked in the software industry and developed applications for civil government, telecommunications, and the petroleum industry. Personally, he had a passion for history and toured the Civil War Battlefields in Vicksburg, MS more times than anyone could count. He also loved sports and was an avid Texas Longhorns and Texas Rangers fan. Over the last year, Randy enjoyed riding his motorcycle and made many bike trips through the beautiful landscapes of East Texas. Randy loved southern gospel music and was an accomplished musician. He played bass guitar at Abundant Life Church in Gladewater, TX where we was a faithful member. But Randy's greatest pride was found in his six grandchildren. He loved having the grandchildren in his home and it was rare that you would ever talk to Randy without him bragging on his "grands." His smile would truly light up the room when his "grands" were around.

Randy is preceded in death by his father and mother, Earl and Louise Langham, his brother Earl Ray Langham, and his sister Jan Commins. He is survived by his wife of 47 years Barbara Langham, his daughter April Stroman and her husband Gene, his daughter Brandi Hammett and her husband Brandon, his sister Brenda Cross and her husband Jerry, and six grandchildren: Colton Stroman, Katelyn Lambert, Gracyn Stroman, Brooklyn Stroman, Annie Stroman, and Breelyn Hammett as well many cousins, nephews, and nieces.

As a co-worker for some years, I always found Randy cheerful, easy to work with; willing and able to help. I offer my sincere sympathy to his family for this difficult time.

I can remember when Randy, his parents, and his sister! Both our families live on Moberly Ave. In downtown Longview! We grew up for nearly 3 years there together! When Randy turn 6 years of age he had to go start school and it was only 600 yards at the end of the street and across Moberly ave! It was called South Ward Elementry school! Now Randy and I had another cherished friend just a few houses down called Larry Strong! Yes you guessed it, we were the three little amigos! Larry & I 5 & Randy 6! Now Randy going to school was not good for busting up the three little amigos, even if it was only 5 or 6 hundred yard away! There were just too many things that boys had to do! When the afternoon school bell rang, Larry & I were off like rifle shots to the end of the street to watch for Randy coming home! Well needless to say life being what life is in just a year or so Randy & the rest of the Ingram's moved! Another year and my parents moved us way across town to a different school! Now this ended the three little amigos of Idlewood drive were split up & scattered in different direction and it remained this way for many years, practically a life time for the three of them! But a few years back thanks to the internet & Facebook Randy seen my name & dropped a line to me! Randy and I have communicated these last few years, but what a full few, for Randy & his sister have communicated back and fourth, o'yes That third amigo, Larry Strong! Well Larry had moved to San Antonio, had resantly back close to Longview, at Hausville! We had hope to meet in Longview and visit, but this last week contacted me and said Randy had passed away, of coarse this broke my heart! But knowing Randy, & Larry's life's and the good men they had come to be, well I got on my knees & and asked God to remember this friendship & us three little amigos, and asked to bring us together when this amazing journey in was complete! And I know God will remember us, as he even knows the fall of a little sparrow! So hold up your heads Brenda and grandchildren & children, we will come together one day!
