I will always remember Dianne as a lady who enjoyed doing for others. She sent cards, phoned, and she and Kenneth were always bringing food into a grieving household ...Oh my, and how she loved beets!In the Junior League of Longview, she and I were in the same placement, Musical Therapy, for many years. Her voice was beautiful, and she so enjoyed singing "Country Road, Take Me Home". The irony of then and now brings tears to my eyes. Now she is home.Sally Stephenson...and Bill Stephenson was there to greet her...
