I had the privilege of first meeting Don Dingler back in the mid 1980s when I first moved to Longview when he was a Lieutenant with the Longview Police Department, and I was a new Paramedic/Supervisor with Longview Fire-EMS. He immediately treated me with kindness along with that "signature smile." Then years later, I was privileged to work under him at the Longview Police Dept. both as a Patrol Officer and as a Police Sergeant when he was Chief of Police. Don was a man dedicated to the citizens and visitors of the City of Longview in providing police services with dignity and professionalism. He always put service above self, as he extended his influence even after his retirement. My prayers are for Chief Dingler's family and for those who loved and knew him well! God Speed, Don Dingler!
