My Grandma has and will always hold a special place in my heart. I love her and miss her so much, as I always will. She was such a kind, amazing, person and was always there for me when I needed someone to talk to or just needed a hug. It wasn't fair that she was taken away from us, but God has a plan for each and every one of us and Grandma lived a long and fulfilling life surrounded by people that cared and loved her so, so, much. -3-- Sabrina
