Oh my I just found out about Jim. I worked with him at EOP in Elmira, NY for a long time. He was such a sweet caring friend. I will remember and cherish all of our talks and how I missed you after you left EOP. He will truly be missed. Sending prayers to all his family and friends. You touched the hearts of so many, RIP my friend.

Gosh Jimmy, we had some crazy and good times. I think one of the funniest memories I have are the chicken and dumplings incidents I tried so hard to eat them and I thought they were awful. Then I made some and you tried them and tried to act like you liked them! We decided to just leave them alone after that! I remember working with you at Zimmermans and cutting sign faces. We had our little group up there and managed to have fun!! You were always so talented. I love you Jimmy. Always have and always will. Rest In Peace my friend. Love, Elisa
