I always loved it when Ray would come see me at Dr. Mapes office. We talked about so many things but he loved his wife, children and traveling. I remember him telling me all about Ouray and Silverton. He graduated with my dad and worked at Eastman with him so we always had plenty to talk about. Very sweet man. I know he will be missed.

Ray and his daughter Kelly came to McConnelsville, Ohio in 1975 with a group from East Mountain Baptist Church in Texas to help us build a church building. He was a tall, handsome, soft-spoken, Christian gentleman. He made a tremendous impact on our family and others in the community with his easy laugh and witness for our Lord. That was the beginning of a friendship that has lasted until now. He fell in love with a beautiful lady in Ohio and brought her to meet us. They married and served God in their church and community. We are so very grateful for the ways Ray and his lovely family have touched our lives.
