## **Jerry Wayne Hall**

SEP 2, 1942 - APR 9, 2020

**J**erry Wayne Hall, 77, of Longview, passed away on Wednesday, April 9, 2020. Jerry was born on September 2, 1942 in Orange Tx to William T. Hall and Doris Marie Hall. Twenty years later Jerry graduated from Kilgore College with an Associates of Science degree. From there he pursued his bachelor's degree at Stephen F. Austin University in Nacogdoches Tx. On October 26, 1974 he married the love of his life Vera Lucille Weatherby. Soon after he obtained his masters in mathematics. His love for learning led to a career of teaching that spanned forty years. The last of which was spent at Tatum ISD from 1970 until retirement in 2005. He was a leading pioneer in computer technology, establishing the first computer lab in east Texas. In 1957 he joined Longview United Pentecostal Church which later became Calvary Christian Tabernacle. Some of his favorite pastimes included doting on his only son, bible trivia, drawing, collecting and photoshopping pictures. His gentle soul and wonderful smile will be truly missed. Mr. Hall is survived by his loving wife, Lucille Hall; his son, Thomas Wayne Hall and wife, Alynda Hall; grandchildren, Cheyenne Hall, William DeCurtins, Alyssa DeCurtins and Shayla Hall; aunt, Katherine Pepper; and numerous cousins. Mr. Hall was preceded in death by his parents, William T. Hall and Doris Marie Hargis; sister, Glenda Hall.

Mr. Hall was my math teacher when I arrived in Tatum in the mid 70s. He was a brilliant man and an excellent teacher. He introduced me to the math competition in Number Sense and Slide Rule. Together we traveled to many competitions in East Texas and in Austin. At that time, I thought it was fun traveling with Mr. & Mrs. Hall, but now looking back I think he shaped me as a person (learning to respect others and to act humble) as well as built up my academic foundation that allowed me to successfully continue my academic pursuit at Rice University after graduating from Tatum High. Now, working as a professor at the Air Force Academy, I appreciate his teaching style even more than ever. In my opinion, Mr. Hall was a great man and an excellent teacher. He will be missed. My condolences to Mrs. Hall for this loss. Trung Pham

Very Sorry to learn of Mr. Hall's passing! His presence was towering at Tatum High School and he was a leader in the instruction of Mathematics and Computer Science. I was not one of the 'smart kids' at Tatum High School and never had the pleasure of having Mr. Hall as my instructor but the positive vibrations from him as a warm human being and as an anchor of THS Faculty were unmistakable! I also personally witnessed the progress his students made in life and know that his contributions to these young people helped to propel them on to greater lives. Many is the time I walked past his classroom door and observed mathematical equations and calculations on his overhead projector that I could never have unraveled! I couldn't do the higher math but I did respect the man! Rest in Peace Mr. Hall as the Master has had your name on his overhead projector for many years! Peace and Prayers to his Family! Very sorry to hear of Jerry's passing.He was one of my favorite students in 40 years of teaching Computer Science at Kilgore College. I hired Jerry to teach Comp Sci courses at KC as an adjunct instructor about 20 years ago. He got very good evaluations at the end of the semester of each class he taught.He will be missed.RIP Jerry HallMichael Kusheba
