Jean Wilson

JAN 18, 1932 - MAY 25, 2020

On May 25, 2020, Jean Wilson was taken into heaven by her Lord Jesus. Funeral services will be held at the Chapel of Rader Funeral Home of Longview on Wednesday, May 27, 2020 at 2pm. A time of visitation and fellowship will be held on Wednesday from 1-2 pm at the Funeral Home. Burial will take place at Rosewood Park following the funeral service.

Jean was born January 18, 1932 in Sour Lake, Texas to Herbert Allison “Buster” and Bessie Faye Dickson. After attending elementary school in Luling, Texas, they moved to the Gulf Camp in New London, Texas. She was on the cheerleader squad in high school as well as the drama club. Her smile and enthusiasm brought her many friends. Upon graduating, Jean attended business school, but before beginning a career, she met Henry Darrell Wilson in Overton, Texas, and they were married on November 30, 1951. The couple was blessed with a daughter and son who were her delight.

Jean joined the workplace and spent her career as a school secretary at Jodi McClure, an office manager at Central Freight Lines, bookkeeper at Diamond Specialists, and greeter at Rader Funeral Home. She took pride in each of her positions.

It was while she was attending Trinity Baptist Church that she accepted Jesus Christ as her savior. She continued to grow as a Christian as she worshiped at First Baptist Church.

After retirement, she enjoyed activities with her children, grandchildren, and friends. For the last four years, Jean enjoyed her Arabella Assisted Living community. She took pleasure in welcoming new residents with a warm smile and a guided tour to make them feel welcome to their new home. Many of the residents, the CNAs and other staff members became additions to her extended family.

Preceding Jean in death were her mother and father, her husband Darrell, her son Randy, one brother and four sisters.

I'm a little late and I apologize. But I knew her from central freight lines. My daddy was a truck driver there for 36 years. I would call and she would answer the phone and say " Denise you know your daddy isn't in yet". Lol. I just loved talking to her on the phone. My mom and dad bought her Oldsmobile and it was a beautiful car. She is a very special lady. I'm so sorry to hear about this until now. I hope she's giving my daddy hell. Lol. Miss my daddy so much.

Jean was a special person. We saw her for many years; first with her mother of whom she took care of with excellent detail, then she and her family. She demonstrated beauty and class, and certainly did not lack for words! Our sympathy to her family. We will miss her. Dr. Billy Westbrook

I remember when the Dickson family moved to the Gulf Camp. Jean became one of my sister's (Mary) best friends.

I must agree--Jean had the most beautiful smile--and I never saw her without it. I first had the privilege of knowing her when she worked for Jess Cannon at Diamond Specialists. She was such a joy! Her smile was constant, even when seeing her at the cancer center. Talking to her on her birthday in January was such a treat. Heaven will treasure her.

I can't tell you how special Jean was to me. My mom, Janet Thomas, was in Arabella with her until she passed away. I got to know Miss Jean right away, and we got it off immediately. She always was so sweet and so kind to me, and to all of my family. She made over anything we did, always making me feel loved and special. She was a very special person. I'm so sorry for your loss.

Vicky and Family, Your mom was such a special person. She was one of the most outgoing and friendly women that I have ever met. I will always remember her sweet smile. Looking at the video, I couldn't help smiling through the tears. While my parents were living, she and your mom were good friends. My dad and your dad were fishing buddies. They all went to church at First Baptist. There was great joy in heaven when your mom arrived. Please know that we are praying for you and your family. We hope that your faith in God and the love of your family and friends will help you cope with the pain and loss of your mom. She is with her Lord, your dad, and Randy, so you know she is very happy. Vicky, I have such fond memories of your mom from 1st grade through Kilgore College - she always treated me like one of her own during the many hours and days that I spent at your house. I will treasure those memories as I treasure your friendship the last 60 years and counting. This thought brings a smile to me: Our moms brought us into this life on earth one day apart, and they began their new life in Heaven one month apart. You and I are kindred spirits.
