Our family loved Paul and Beverly. They were our first home group leaders at LCF. It was evident they loved the Lord, and their hearts' desire was to share that love with everyone. Of course, Beverly was a little more outspoken than Paul. She encouraged me and taught me so much! I loved her stories of their earlier days, of them starting churches and God's provision. I remember when Gene was sick but was still able to get out and go some, one of the things he really wanted to do was go to the Dallas Arboretum and Botanical Gardens. Paul and Beverly went with us and helped me with him that day. It was a wonderful day for us and a joy to spend that time with them. Sweet memories! Love and prayers for the family.

Beverly was such a sweet lady she will be greatly missed. I remember her giving me a little trinket to hang on my wall. I have enjoyed looking at it and reading it often. I will cherish it always. See you on the other side.
