Jace was my best friend for years, from late high school to early college. Our paths took us in different directions and we lost touch but we shared some great memories. One of my favorite memories was when it iced over in Longview we had massive ice/snowball fight with friends. I wish I could've seen him one last time, introduce him to my sons, laugh about the things we thought were so important when we were young. I found out about your passing today friend and wanted to reach out to whomever reads this, that I remember the love and heart you had for your mother and father, the passion you had for sports, and a smile and laugh that would make anyone forget what was bothering them. Goodbye Jace
