Kevin Mark Kuhlman

MAY 12, 1961 - JAN 9, 2021

On Jan 9, 2021, Kevin Mark Kuhlman of Arlington Tx, left his earthly body to unite with his savior and family in heaven. Kevin was born on 5/12/61 in Houston Tx. He is preceded in death by his mother, Melva Patterson Kuhlman; father, Sterling Joseph Kuhlman; and a brother, John Kirk Kuhlman.

Kevin is survived by his wife of 23 years, Jolynda Lewis Kuhlman. Three sons; Joseph Kuhlman, Johnathan Kuhlman and James Kuhlman & his wife, Caroline. Step-daughter; Ashley Bauer. Brother; Sterling Joseph Kuhlman Jr & his wife, Waynell. Also three nieces, three nephews and a host of loved ones & friends.

Kevin grew up in Houston and graduated from high school in 1979. He went on to attend college then joined the Navy from 1983- '91. His Navy days were remembered fondly, and he loved to talk about them. In 1991, he was hired by Federal Aviation Administration and has worked there almost 30 years. He loved his work there as an Airway Transportation Systems Specialist and really missed being in the office during COVID-19 restrictions. He had looked forward to getting back to normal operations there.

God, family & country were his passions. Kevin was a devoted Catholic and a member of St Vincent DePaul Catholic Church in Arlington Tx. He was also a member of the Knights of Columbus St Jude council #6269 in Arlington.

His three sons were the center of his life. He had been active in their Cub Scouts, Boy Scouts & baseball teams. Kevin loved to travel, camp, fish, hunt and spend time with his sons. When all three sons joined the Navy, he was so excited and proud of them!

Kevin was a big fan of the Dallas Cowboys and never missed watching their games. He had a fondness for orange tabby cats and loved his two; Peanut & Buddy. His love had no boundaries. He was always willing to help a fellow being or furry animal.

Kevin, my dear brother-n-law, my friend...I'll never forget your kindness, big smiles and all those many bear hugs. Our families shared a lot over the years and I'll cherish those memories forever. I know I said "thank you" many times to you and Jolynda for opening up your home to me in this time of need. I just wish I'd of had one more chance to say thank you for all you've done for me & to give you one more big hug. You and your kindness will never be forgotten. In the Sweet By and By...we'll all meet again. Kevin, I will always remember the beautiful smile and bear hug you would always greet me with. I loved that you were not afraid to talk about your faith and political views. You were not afraid to brag about your family or to share how much love you had for Jolynda. You enjoyed coming to our class reunions and would always mention how much fun you had and wished you were part of our class. I reminded you that you were part of our class because you married Jolynda. And you would say, "That's why I married her!" My last best memory of you will be the time we went to Galveston. We sat on the front porch and said the rosary together. Until we meet again ~ Cynthia

We have known Kevin for many years. We considered him family. Whenever we saw him he would give the biggest bear hugs. He was loving and caring and so proud of the family he built with Jolynda. He will truly be missed. Rest In Peace, Kevin. God bless you!

Elizabeth McCann lit a candle in honor of Kevin.

Kevin and my brother became friends back in grade school at St. Ambrose Catholic School. Over time, there was not an event, outing, or family function that excluded Kevin. He was part of the family. Countless hunting and fishing trips, camping, concerts, crawfish boils... The day he married Jolynda, became a step-father to Ashley and a father to Jimmy, Johnny, and Joey, we could not be happier for him. We love you Kevin. We are going to miss those big bear hugs you give. Love, Thomas (Ed) & Elizabeth McCann

Kevin was a wonderful person. We worked in different units but I got to know him very well. We had the opportunity to go on a few fishing trips together and it was always fun to hang out with him. He always had a smile on his face and was always upbeat and cheerful. We need more people in the world like Kevin!

Kevin and I were hired into the FAA at the same time. We had several people in our new hire group. We all went to different units for a while then moved on to other positions but not Kevin. Kevin went to the DFW COMM unit and liked it and made it his home. Kevin was like that, when he found something he liked, he devoted his life to it. He was like that with his job, his family, and his religion. Kevin had a lot of pride and it showed in everything that he did.

Jolynda and Family, my thoughts are with you all during this difficult time. losing a loved one is always difficult, but COVID adds many more complications to an already difficult time. My heart and thoughts are with you guys. Kevin's FAA family is experiencing a fraction of your grief and frustration. I have been the DFW District manager for the past 6 years and I remember the first time I meet Kevin in an all hands meeting. He was excited that his new district manager was also a Navy Vet. And I know several times he has mentioned how proud he was to have sons that also decided to join the Navy. He was so proud of his children and all they have accomplished and was looking forward to watch their future accomplishments. Kevin always had a smile on his face and a gentleness spirit (even if he wanted to point out something he felt DFW management team could do better at). I will always appreciate that! It is important for us to hear from employees around ways to impact their lives better and he was willing to provide that input. Last year I attended a unit meeting and was trying to impart how import it is for employees to lead from where they are and take charge of their future. Kevin was quick to join the message and share words of wisdom to his co-workers, that had many more years of service left, then he or I. After that meeting we had conversations around our retirement planning and though he didn't make it to that date, I am sure several of his plans will benefit Jolynda!!!! I wish you all the best. and Jolynda do not hesitate to contact me if you need anything in the future. Michelle Polar DFW District Manager

My office was adjacent to his manager's office and he would always stop to chat with me even when his manager was unavailable. He had this innocent smile-like grin that made me wonder "what's his angle" lol. But as time passed, we had more conversations and then I realized how genuine Kevin was. We would always talk about Houston, TX and how it was 20+ years ago. It put me in a place of nostalgia and we enjoyed reminiscing together. I will always remember him for that. My sincere condolences to the family.
