It's been almost 4 years but I hope you're doing well up there. You would of be interested to see the twist and turns the world had taken in these 4 short, but strangely long years without you. I hope we meet again someday.

Stu, I will forever remember you and carry you in my heart. Never will I hear an Elvis song, that I won't think of you and giggle. I cherish the many hugs you stooped way down to give me. I will remember the sweet, goofy, sincere, funny, loving boy and young man I knew you to be. Thank you for sharing your life, your joy, your laughter, your love with this Momma!
