## **Charles Allan Albert**

MAR 26, 1965 - APR 16, 2021

**A** celebration of life for Charles “Charley” Allan Albert will be held at The Reserve in Longview, TX on May 13, 2021 at 2:00 PM. Charley passed to the Lord in the early morning of April 16, 2021 in Longview.

Charley was born on March 26, 1965 to parents Georgene and Kenneth Albert in Longview, TX. When he was born, he was such a happy baby that his father said he looked like a “good time Charley,” a description that proved true throughout his life. He graduated from Longview High School in 1983, then Kilgore Junior College. He received a Bachelor of Business Administration from Stephen F. State Austin University. Charley worked diligently to further his professional credentials, earning a CPA and a CFE, and retired from Curtis Blakely & Co. after 33 years. Following retirement, Charley elected to open his own audit and forensic accounting firm, Albert Consulting and Financial Services, in Longview while caring for his elderly parents.

Charley attained the Boy Scouts of America Eagle Scout with Troop 201 and it was primarily through his experience in scouting that he learned the values of hard work and caring for his fellow man. He also had a love as an outdoorsman, especially duck hunting, a passion that he gladly shared with his sons. Charley was immensely proud of his children and supportive of all their activities.

He had a generous and dependable spirit and would always go out of his way for those that had the blessing to know him. Those that knew Charley enjoyed his wonderful, self-deprecating sense of humor and his storytelling, which he would laughingly say made a long story short. Having grown up in Longview, Charley developed deep and long-standing friendships around the city. His love for Longview was manifested in his community involvement, which included board memberships of the Parenting Resource Center and Hearts Way Hospice. Later in life, Charley was graciously able to regain the faith of a child in Christianity, a faith

As kids growing up across the street from one another, we had nicknames for each other that are not appropriate to share! He was always someone to whom I looked up. Charley knew stories of my Dad that I didn't. He shared after my Dad died, which brought great comfort. There aren't many guys like him left in this world. Charley, we will all miss you!

"Long story longer" was his famous line and I can't recall a single conversation with him that I didn't hear that phrase multiple times. God bless him! Nick and Noah- your dad loved you beyond words. I'll miss his friendship and all of his stories tremendously. ❤️

There aren't enough words to express the loss I feel. Charley was one of a kind, a great father to the two humans he loved the most in this world, Nick n Noah, and just one of those friends that left etched in memories that I will forever remember. Gosh, I'm still processing that he is not physically here to make us laugh and bring so much joy to our lives, but I know that he is watching us from above laughing and rejoicing with his mom and all the love that preceded him into those pearly gates up there. I just loved and adored you, Charley and indeed, you lived up to the name that your dad was inspired to give you from your smile. I will miss you forever and pray for all of us that you left here mourning your loss. Sending all my love and prayers to the family and friends through this most difficult time!!!

Charley grew up across the street from us. When I lost my husband "Frog" he was a wonderful help and inspiration, bringing me flowers (he said they were from Frog) putting a new battery in my dead car, which he wouldn't take a dime for...so many memories, still so hard to believe. Im going to miss you Charley.
