I just got news of your passing, I'm praying for peace and strength for your family. And I will never forget you welcoming me into your home. Giving me and my business when I just started my entrepreneur journey for Malik's Top Of The Line Cleaning LLC, you gave me the opportunity to help you and you helped me in so many ways. I will forever be grateful that I crossed paths in this life, I'll forever remember the long distance trips we had together when I would chauffeur you to the ER and working out just the love you gave. Gone but never forgotten 🙏
