## **Roberta E. Sutton**

MAY 9, 1943 - JUL 27, 2021

**G**raveside services for Roberta Sutton will be held at the Houston National Cemetery on Tuesday, August 3, 2021 at 10am. Roberta passed away peacefully in her home on July 27, 2021 in Longview, TX.

Roberta was born on May 9, 1943 in St. Louis, MO to parents Robert and Marjory Moss. She graduated from Maplewood Richmond Heights High School in 1961. She married her husband of 58 years, James (Jim) W. Sutton. They were together, members of 1st Lutheran Church of Longview.

Roberta had a true “gift for gab” and seemed to have never met a stranger. She loved people, in particular children and babies. She was a true renaissance woman who could garden, can, bake, knit, and sew.

In addition to her parents, Roberta was preceded in death by the love of her life, husband, Jim Sutton. Those left to cherish their memories of Roberta include her children and spouses, Andy Sutton and wife Brandi, Robin Sutton Hardwicke and Dave Beach, Larry Sutton and wife Dawn; grandchildren Tyler Sutton, Lake Sutton, Laura Hardwicke, Shelby Sutton, Sierra Jordon, Gideon Jaudon and Mikaela Jaudon; great-granddaughter Dahlia Chumley; as well as her cousins, extended family and friends.

In lieu of flowers, donations may be made to Wreaths Across America.

A special cousin. No matter where she lived or where I lived, we talked by phone often...long conversations! She will be missed. A very loving, caring person that spread her love to a lot of people. Just like any Mother and Grandmother she bragged about her children and grandchildren.

Our trip to New Orleans, we had a great time . I'm going to miss our road trips with these two. She is where she has wanted to be since Jim died.

Roberta's dad and my day were brothers we grew up together! Once a year I would get a letter up dating all that happened that year then she would call and we would talk for hours! Always meant to go to Texas to see her but didn't make it! One summer her and Jim was going back to Texas from somewhere and came to our house and we spend hours talking. With covid and how everything has been and we lost our daughter in oct 2021 to covid our live changed and a little while back it hit me I had not heard from her in awhile so I tried to call her but couldn't reach her and I worried something had happened so I decided to see if I could find her on the internet!!! I miss our talks!!! Love you Ladonne
