Danna Turner, a RNC and longtime resident of Gladewater TX, died September 4, 2021, at the age of 64 while surrounded by family. A graveside service will be held at Gladewater Memorial Park on Friday, September 10, 2021, at 11am; a memorial service will be held following the service at Gladewater First United Methodist Church.

Danna is preceded in death by her mother and father, Dan Gwinn and Virginia Virginia Kuver Gwinn, and her sister Helen Sims. She is survived by her children Jared Trace and Jenna Lea, her sister and brother Babetta Aziz and Jeff Gwinn and her ex-husband Terry Turner.

Danna was born in Gladewater on August 16, 1957, to Dan and Virginia Gwinn. She graduated from Kilgore College in 1977 with her and worked as a registered nurse for Good Shepherd Medical Center (Christus) since 1985 in the mother baby unit alongside her sister Helen Marie.

Danna was a devoted nurse, Mother and Christian. She enjoyed puzzles, romance novels and Hobby Lobby. She made sure to put a smile on anyone's face she met. She loved her work family and church family deeply. She has left a lasting impression on many. To know Danna Lea is to know love. And as she would say "no rest for the wicked, the righteous don't need it."

The family requests that no flowers be sent to the service, if you feel led to give, please donate to a charity of your choice in Danna's name. Also since Danna loved life, the family asks that nobody wear black. Lastly to protect each other the family is strongly emphasizing the need for Masks at all aspects of the services.

So very sorry for your families loss. I attended church in Gladewater with Danna and joined her in several bible study groups. When my husband was hospitalized in Good Shepherd in 2018 - Danna would bring me snacks and goodies as I stayed at his bedside. I will never forget her kindness ❤️

Jenna, I so appreciate your keeping us co-workers of Danna in the loop these past several weeks. I first met Danna when I started to work at Good Shepherd. She was one of the nurses who oriented me to L&D during the first 6 weeks of my career and it was wonderful to still be working along side her until the end. She was definitely a wonderful, hard working and very dependable nurse and will be greatly missed by all of us. She loved to laugh and had the funniest sayings. One of my favorite was when she would forget something, she would say "well, I blinked and my mind cleared."
