Though I was in a graduating class three years behind him, my husband Steve and I lived in the same apartment complex with Bruce in the early years of our marriage. We played cards with Bruce and Cheri, and spent time hanging out with each other. I'm glad I have those memories. Lifting up his family as they have to travel this difficult road.

Classmate of Ore City High School class of 1979. We made a lot of memories during our school day. Bruce was a good guy and a good friend. There are so many memories that we will be able to share as we celebrate his life and his home going. My prayers are for his family during this difficult time. I rejoice that God allowed us to share our lives if but for a few years. Rest In Peace my friend.
