My prayers go out to the family. Ivanell was such a sweet and caring person. I spent many days and nights at her house playing with my childhood friend Leisa and have a lot of wonderful memories of her.

Ivanell was a great person she was very kind and seen the best in everyone. She loved her family and we loved her. She will be missed. It always made me laugh that she framed a little stick person picture I doodled at the table one year at thanksgiving, I figured it was trash but she stuck it in a frame and displayed it 😊 she had a good sense of humor. I'm thankful I got to meet her and be part of her family
