Bill spent his entire career working for El Paso Natural Gas where he was hired as an accounting clerk, ultimately rising to the title of Vice President. Bill and Jackie were some of our first neighbors when we moved to Lake Cherokee in 1990. They were just up the cove and we saw them often. They encouraged us to join their Sunday School class at First United Methodist Church and we also joined the choir at that time. I always enjoyed visiting with Bill as he usually had a project going in his shop. We were never close but he was always there and was a great source of information about living at the lake and all that went with it. I have missed seeing him over the past years and am sorry to learn of his passing. Bill was a good man and I shall miss him. May God bless Jackie and the family and comfort them at this sad time. Jackie, Jennifer, Susan and families..... So sorry to see that Bill has left us. I know these past few years have been rough on all of you and for that reason I am thankful his pain over and we all know that someday we will join Bill again. So many memories of Bill and his time on the CWC Board and our boat trips here and there on the lake..... so many fun memories. I have tried to call a couple of times, and will keep checking with you in the days ahead. May you find comfort and peace in the wonderful memories you have of Bill. Love, Nell Raper Boren
