My memories of Lee growing up in Whitesville WV. Cousins Lee and Dave Lynch were like big brothers to my brother John and me. Regardless of the 8-12 year difference in ages, they included us in all their activities. We had wonderful family Christmas and Easter holidays with special meals at the Clay and Lynch houses. I remember when I first met Anne when they came to WV, money could not have bought all the love we shared with them. More recently, we were able to reconnect with Lee & Anne for some quality time together at Liza and Andy Clays' weddings. The last time I talked with Lee I told him he was my hero and would always be one to me and in my 'Hall of Fame'. May God bless all with love and comfort at this time. Jim Clay and family
