I knew Ben in High School even though I was from Kilgore. He was a great guy and friendly to all. And, boy, could he hit a golf ball! My condolences to his family and we know that Ben rests in perfect peace.

Ben and I were in school this together all 12 years. He was friendly and quite a character. My condolences to his family.

As a young teacher, I had the privilege of teaching Ben. He was a smart young man and was pleasant to be around. Our thoughts and prayers go out to Wayne, Vicky, and the rest of the family. May God comfort each of you in the difficult days to come.
