At our age our friendships are lost. I am so sorry to just be finding out about his passing. He was such a great guy even though he was only good for a slow dance. We have so many great memories of good times with him. I know he is loving being with his daughter again. We'll see you again in heaven .

Tom was like a second dad to me, I have some of the best memories as a kid going to their house to swim and as an adult going to the lake house. His late daughter, Teri was one of my best friends in the whole world and I know there was a glorious reunion in heaven on Thursday. RIP and I will see you and Teri again one day.
