CAN ANYONE TELL WHEN DANIEL AND LAURA WERE MARRIED???

Larry Zachary March 23 at 1:15 PM

What year were Daniel and Laura married? My wife and I went to their wedding but I cannot for the life of me figure out the date of their wedding. Daniel's brother is my wife's X father Inlaw. Just wondering if anyone knows when it was that they were married.

Laura, I'm praying for you and your family during this time.

Laura and Keegan, You are in our prayers and thoughts at this difficult time. Daniel was such a pleasure to know. His smiling face will be missed around town and along the golf course. Daniel loved Laura and Keegan so much, that his face glowed everytime I would ask about them. Keegan your Dad will always be with you through life and your golf game. He was so proud of you playing golf and driving the Aggie golf cart. May God comfort you two in his loving arms now and forever more. Peace be with you and we are here for you.
