She will be missed & always remembered. The first memory that popped in my head as i was watching the video here. Was when I was a kid, Dana playing tackle football with all the guys in mamaw & papaw's front yard and out playing everyone. Back then, as a kid I was like.. "she's so tough" then at same time she was joking around, making everyone laugh.I can still hear the high pitched jokes aimed at me. She was amazing
