I am Tonya's aunt: Alma Shields Martin, Tonya and I were very close, I live in Bacliff, Tx about a 5 hour drive from her home and it was nothing for me to hear a knock at my door about 9:00pm and she would be standing at the door, laughing and saying, "Hi, Aunt Alma. We would start laughing and she would come in and the FUN would begin. One time she brought a Makeup Kit so we could put makeup on our faces and see just how beautiful we could be. Tonya was one of the most loving, kind, generous, happy and funny young ladies I have ever known. It is so sad she died so soon because I think she had found an AC portable building to put on the property and she would have been out looking for bargains, she found great things alongside the road, she would stop her car and hope out and put in the car. WOW She and Joe fell in love at a young age and got married, I love Joe so much. He is a very loving and caring young man. So happy they have Samatha and now she and Joe are working on the home that has been in the family for many long wonderful years. Love Aunt Alma
