Gloria June Risk Rogers Green

JUN 21, 1924 - NOV 19, 2023

June Rogers Green went peacefully to be with her Lord and Savior on November 19, 2023. A graveside service will be held at Grace Hill Cemetery in Longview on Saturday, November 25, 2023 at 3.00 PM. Arrangements are provided by Rader Funeral Home.

She was born on June 21, 1924 in Niles, Oklahoma to Lucien Edwin and Cora Avis Risk. She was raised in a Christian home with 7 brothers and sisters. While attending the University of Missouri, she met and married her husband and eventually settled in East Texas with their four children. It did not take long for her to find a church to raise her children in. She joined First Christian Church in 1958 which soon became her second home. She began teaching the Kindergarten Sunday School class, made choir robes for the Angel choir, fed weekly snack suppers to the Junior High and Senior High youth groups and worked on the Minister's Aide committee. As the secretary to Gregg County Judge R.E. "Peppy" Blount she became involved with the Legal Secretaries Association, serving several years as the President of the local Legal Secretaries Association. She was also committed to Habitat for Humanity, physically helping build and then serving as President of the local chapter for years. June was also committed to Longview Community Ministries, Food Box. She worked each Friday for about 10 years and always knew which needed items she could add to her own grocery list. She had always felt the need to serve and care for others and that she did. Church and family always came first but did make time for whatever sport the grandchildren were involved in.

She was preceded in death by her first husband, John C. Rogers and her second husband, Lewis Green whom she married later in life. She was also preceded in death by two sons, George Robert and Paul Franklin Rogers, her parents, as well as three brothers, Lowell, Wishey, and Bob Risk and three sisters, Beth, Alice, and Nila and many special friends from the Cornerstone Class at First Christian.

Dear family what a sad shock when I looked up your mother on the Internet and found that she had left us. I will always remember the time she took me home with her to TX. Never did I think I would one day be a resident of the state. What a glorious life she had! May she rest in peace and may you find comfort in knowing that. Love, Peggy Risk Hulteen

I will always think of Aunt June fondly. She taught me many things but the most lasting is to be happy where I am and with what I have. Family is always the most important. I loved that southern drawl that she used when she first came to Illinois to visit. After a day or so she slowly lost that. The last time the four "girls" were together for a sleepover at Alice's house, they had me take a picture of them in their nightgowns. They posed the same way they did way back when.
