Carolyn Hardin

OCT 4, 1947 - FEB 14, 2024

Carolyn Sue Hardin, 76, passed away peacefully in her home on February 14th, Valentine's Day, 2024, after battling Parkinson's disease. She passed during the quietest part of the afternoon, bright and beautiful, with her husband, Mel Hardin, and her beloved dog, Maddie, by her side.

She is survived by her husband of 56 years, Mel Hardin. She is also survived by her daughters Kimberly A. Hall and Catherine R. Hardin, her son Matthew L. Hardin, and grandchildren Brian Hall, MacKenzie Hall, Christopher Hardin, Henry Hardin, and Adalina Hardin. Additionally, she is survived by three great-grandchildren, Madison, Avereigh, and Amelia Hall, as well as numerous nieces and nephews.

She was preceded in death by her son Christopher M. Hardin and her parents Aubrey and Thelma Young.

Carolyn was the second among five siblings, including Jim Young, Judy Meyers, Jack Young, and Michael Young.

Carolyn was born an Army Brat in Colorado Springs, CO, on October 4th, 1947, to Aubrey and Thelma Young. As an Army brat, she lived in Texas, California, South Carolina, Colorado, and Panama. She always had the fondest memories of Panama and the friends she made there. She graduated from Corsicana High School in 1966 and attended Navarro Junior College, where she met her future husband, Mel Hardin. They were married for 56 years.

Carolyn worked as a secretary and homemaker throughout her life, enjoyed cross-stitching, painting, and crafts, and spent most of her time as a Girl Scout volunteer.

Carolyn, a dedicated Girl Scout Troop Leader for many years, earned national delegate twice and the "Thanks" Award for her significant service throughout the years. Carolyn was troop leader to countless scouts, and she always enjoyed teaching crafts, building campfires, and leading songs.

Carolyn Hardin

OCT 4, 1947 - FEB 14, 2024

Carolyn believed in the core tenant taught in Girl Scouts of leaving a place better than you found it. She once told one of her children, "You won't be able to change the world, but you will be able to change the world around you." Carolyn taught us all many lessons, sometimes even the toughest of lessons, and those lessons have led us to leave this world a better place.

And as Carolyn ends her last campfire of life,

Mom, we want to linger, a little longer, a little longer here with you.

A visitation for Carolyn will be held on Sunday, February 18 between 2 and 4 pm at Rader Funeral Home of Longview.

My herpes cure testimonial. I was once a victim of the herpes virus with many epidemics on my body, I also have cold sores, I was cured of the virus thanks to the help of Doctor Afrid the herbal medicine man. I have come across most of his testimonials from patients on blogs and social media pages who have recovered from various illnesses. I contacted him with his email address which he answered and asked me a few questions and the preparation method I paid for, he sent me some herbal remedies and with his prescription I have drank herbal remedies for 2 weeks and the outbreaks on my body were cured after concluding herbal medicine, I went for the test and my result was negative with no virus on my blood. You can also be cured, contact him on his official email; drafridherbalhome@gmail.com. or visit his website <https://afred-natural-recipe.b12sites.com/index#home> to place your order. He said he had a herbal remedy for diabetes, cancer, fibroids, high blood sugar, hepatitis, HIV, heart disease and liver disease.

I've been living with Parkinson's disease for quite some time, and for years, I struggled to find lasting relief. While medications offered some temporary help, the symptoms always returned and often worsened. Out of a mix of hope and hesitation, I decided to try an herbal treatment program from NaturePath Herbal Clinic. I'll admit, I was skeptical at first. But around the fourth month, I began to notice real, steady progress. My tremors became less frequent the stiffness in my body eased My balance and coordination gradually improved It wasn't an overnight transformation, but it was consistent and life changing. For the first time in years, I feel more in control of my body. I can move with greater freedom, sleep more peacefully, and enjoy daily activities without the constant discomfort I once accepted as normal. The improvement I've experienced physically, emotionally, and mentally has been nothing short of upliftings. If you're exploring natural options for managing Parkinson's, I wholeheartedly recommend looking into NaturePath Herbal Clinic. Their approach has made a real difference in my life, and I'm truly grateful I gave it a chance.

My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Siferol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor's knowledge) and started him on PD natural herbal formula we ordered from AKANNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit w w.w.aknniherbscentre .com)
