Thanks for the memories! I will forever be grateful for the fun times as a kid on Pine St. that you were such a huge part. VBS, Lake Forest Park pool days, gardening, pine straw houses, going to the farm, and most of all the many eclipses, meteor showers and anything else going on up in the skies that you would have all us kids rounded up and making sure we were witnessing all this! To David and all the family you are close in my thoughts and lifted up in my prayers. Love you all, Susan
