Bobby Barksdale is my Uncle. He has been instrumental in helping me to become the person that I am today. He has always loved us my mother, my grandmother and myself. I'm grateful that I was able to speak to him several days before he passed. He told me how much he loved me and I told him how much I loved him. He told me how proud he was of my children and of me. He said you've done a good job raising your children. I know that he is with God. Thank you for being such an important part of my life Uncle Bobby I love you Ramona Ferraro
