I remember when Kerry came to visit Larry and I. Larry asked if she would like to ride on his Harley for a charity ride to Happy Hills Farm. It was about 100 miles from our house. She had a great time that day.

Morgan & Kelly, I am so sad to learn about the passing of a Kerry. She was a unique person with her own perspective who cherished her beliefs. I will not forget the backyard basketball games and afternoons after school hanging around at the house arguing about who had to do what chores, looking after the boys, or who had control of the television. Kerry was always polite and respectful to me and for that I am thankful. She will be missed and has a special place in me and my family's hearts. Our thoughts and prayers are with you and your family during this difficult time. Sincerely, Joe Long

Kelly and family, We are so sorry to hear about the unexpected passing of Kerry. Our prayers and thought are with you and the family. There were many special family memories that will always be with you, hang on to them, cherish the good times, for they will comfort you in years to come. She loved you.... like all big sisters love their little sisters, and that love will always there. KeeKee..a name I will never forget, loved her nieces and nephews so much, and loved watching them grow up. She will now be with your mom and dad in perfect form and harmony. May she rest in the peace, mercy, and love of God. All our love and sympathy at this difficult time. Steve and Margaret Long
