Jonathan to one of the sweetest nephews a person could ever want to have. Although we didn't get to spend a lot of time together the time we did spend together was the best. Fly high with the angels

06/16/2019 Jonathan Rogers writes on Facebook I don't gush on Facebook often but through all the hard times and through all the drama AND through all the amazing times Amber Upshaw has been there with me for the past 15 years. She turned 30 just 2 and a half hours ago and I just wanted to say out loud to her or at least to facebook that I don't deserve you and you are the greatest thing to ever happen to me. I could never love anyone else the way I love you and through sickness and health, through the good times and the bad thank you for loving me, and I will never stop loving you. I have my problems but I am the luckiest man on earth for finding my soulmate so long ago. It has been almost exactly half my life I have gotten to spend with You and I have treasured every moment of it. HAPPY BIRTHDAY Sweetheart. You are the Love of My Life and if I could have only One wish it would be to spend the rest of my life with You. This picture was our first real date. I had to sneak this out while you were asleep to get a good pic but look how young we were!! I knew I loved You then and I Love You more now.

My daughter Amber was the 1st of My girls to become engaged. I remember the Day she called us. Her voice was filled with excitement, saying she was just so Happy and Giddy over the proposal and the Beautiful Gold and Diamond Ring he had also given her. Their Love was a True Love. We ALL knew it. They met in High school and They have been engaged, seeing each other and loving each other Every day for more than 20 years. One day we were ALL in the Mini-Van touring Antique Alley in West Monroe. Jonathan Rogers was often with us on our tours. This Day he gave me the Most Lovely Hand written Note. He was Thanking me for being Amber's Mom, because She meant so much to Him. His words filled My Heart with Joy and Laughter. Gosh... I thought what a Wonderfully Kind and Endearing Young Man. He must come from an Amazing Family. So Genuine. A Real Jewel and Definitely a Keeper. Jonathan enjoyed our home as his own. He and Amber were Always together. Talking and Laughing about who knows what. They shared a lot of the same interests and enjoyed a lot of the different things too Classic car shows, Movies, Books, Hiking and just being outdoors. Jonathan would come outside to help me mow the grass. He didn't mind helping me pick up All our scattered things across the lawn like Badminton bats, Basket balls, Soccer balls, Hockey sticks and a little bit of Anything. He didn't mind Hard Work. Not at all. He enjoyed fixing things like cars, lots of cars and motorcycles. Actually He was a very Good "Fixer". He helped prepare meals too. He didn't like the lemon butter with the grilled shrimp though, I still don't understand that, because he was Never Ever hard to please. In the Summer time we enjoyed our Music in the minivan, visit the animal shelters, where we could pet and enjoy many many cats, kittens and dogs. We were happy to give donations and bring items from home for their continued support. Jonathan loves animals, all kinds. Jonathan also LOVED the Book Store ! Amber too. Everyone LOVED the Book Store ! It was always a Special Night, Even on a Date Night. It was a Great Night ! We ALL were looking forward to it, as We ALL would gather together EVERYWHERE we went. 5 kids of my own Plus 2 step children Ashley Nicole and Riley AND Sometimes a few more extra every other weekend. Riley Ward had been Jonathan's Best Friend for a very long time. It was what Some People would call "The Posse" Because we ALL "HAD" to gather together or else we would Never Ever get to GO ANYWHERE. We would go to the Famous "Books A Million" Book Store for the Whole evening. It was Always a Very Special Night A Great Night Jonathan liked to help My Girls with so many House Parties and Swimming Parties. He Cooked & picked the Best Music. We All Loved His Stevie Wonder Fleetwood Mac Boston & Blondie too And the coveted Fireworks Stands were like A Party of their Own We ate a lot of Dinners Together. We were able to venture out trying a few Different Fancy Restaurants, too We like choosing culturally themed restaurants. Everyone got a vote. I think Jonathan liked the Mexican Food Restaurants the most. Jonathan was always included on our Day Trips too, Exploring Any kind of Adventure out there even over to a few states and back Touring Antebellum Homes Gardens & Some Military Parks. He liked Hiking & Camping at the Petti Jean Mountain in Morrilton Ar Sometimes we would be able to stay in the Lodge or the Cabins I remember Jonathan was especially Happy during the Christmas Holidays, when we would go together to the Biedenharn Gardens and Museum. We would go early in the evening to buy a 5 cent Bottle from the Coca Cola machine. It was the Biedenharn's Family who estab the first Coca Cola Bottling Company in Monroe, Louisiana 1913. Jonathan and the group would walk talk romp Dance & take pictures while enjoying All the Christmas Lights Music & Fountains in the Gardens I LOVED Jonathan as a Son I will miss him
