Janet Orms

DEC 10, 1939 - SEP 16, 2025

It is with deep sorrow that we announce the passing of beloved wife, cherished mother, and adored grandmother, Janet Orms. She was born on December 10, 1939, in Greggton, Texas, and sadly passed away at her home in White Oak, Texas, on the morning of September 16, 2025. No words can express how deeply she will be missed by the many who loved her.

Janet was a devoted follower of Christ, giving her life to our Savior at the age of nine. She later met the love of her earthly life, Lewis Orms, at a root beer stand, and they married in 1958. Lewis and Janet recently celebrated their 67th wedding anniversary. Two of her greatest joys in life were being a mother to Janna and a grandmother to Kelsi.

Janet was classy, creative, and courageous. She had a gift for china painting and spent decades creating beautiful pieces and traveling to teach others. In her later years, Janet looked forward to her weekly card games with her special group of friends and cherished the quality time she spent with Janna and Kelsi, both of whom were the light of her life. Though life was not always easy in recent years, Janet always portrayed unshakable strength and resilience, without surrendering her sense of humor and spunk.

Her family loves her so very much and will miss her terribly.

She was preceded in death by her parents, Verna and Jack Wall. She leaves behind her loving husband, Lewis; her daughter, Janna; and her granddaughter, Kelsi. She is also survived by her brothers-in-law and sisters-in-law: Jackie and Lavois Orms, Tommy and Rhonda Orms, and Tootsie Watson, as well as many nieces and nephews, including special nephew Tyler Orms.

Janna, Although you don't know me, I have certainly kept up with you through Janet all these years. We were great friends through school at Pine Tree, in the Camp Fire Group and Horizon Group my mom sponsored and also in the band. We traded times for us to spend the night together, often with Joan, too. Your daughter is beautiful and was absolutely Janet's love. My husband Tom, and your parents spent a lot of nights playing dominoes or hearts when we came home on the weekends from Arlington. I remember one time when they came to see us there and brought one of their cats who had a cast on one leg. Needless, to say we laughed often when she ran across my hardwood floors in play. What Memories! I could go on and on, but my love is to you, Keilsa and Lewis. We now live in Shreveport. By the way, I played the organ for Janet and Lewis' wedding. Have always remembered that..

I will certainly miss my cousin Janet. She always commented on my posts. Back in the late 1970's and early 80's, we had family reunions at Clemente State Park. We all had great time. I last time I visited with Janet was during my mom's 100th birthday celebration. I will miss her a lot.
