

Beverly Coleman

April 9, 1931 - May 4, 2020

Beverly Morris Coleman of Longview passed away peacefully in her sleep on May 3. She was born in April 1931 in Ohio and grew up in Mobile, Alabama where she met her husband Dr. Solon L. Coleman III. They married in 1950 and he survives her.

Also surviving are daughter Chris Coleman Deitch, son Mark H. Coleman and three granddaughters Elizabeth and Kati Deitch and Beca M. Coleman.

Beverly was an alumna of the University of Alabama where she was a member of Delta Delta Delta sorority. Following graduation she taught home economics in Birmingham, Alabama before moving to Texas.

In Longview Bev was a member of First Presbyterian Church. She served that congregation for 17 years as Church Secretary.

Beverly was an accomplished seamstress with a custom-designed sewing center in her home. She enjoyed scuba diving and traveling. Bev faithfully played bridge with many of her same friends for 50 years. She was a gracious hostess and excellent cook. Her Alabama biscuits were legendary.

Bev was preceded in death by her parents Harold and Eva Morris and son Solon L. Coleman IV.

A private service by invitation will be conducted at a later date. Condolences may be extended to the family via Rader Funeral Home of Longview.

“ I remember a Mother's Brunch at church when I was visiting my Mother Kathleen Lutrick. We sat with Beverly. She told me her version of the church's breakfast casserole we were being served. I've made her version many times with happy memories of that Brunch with her.

“ Doc I was so sorry to read of Bev's passing. She was such a sweet person and I know you will miss her so much. Your old friend, Pat Parker

Pat Parker - May 08 at 04:47 PM

“ It is very difficult to write about Beverly Coleman!
First, she was a sweetheart. She loved everyone and surrounded herself with love from Sole, her children and more people than I can name even from Brazil!
Second, she was always interested in "you" - wanting to know everything that you enjoyed and what made your life joyful.
Third, she and Sole were literally made for each other. They cared and shared their friendships throughout their lives. We are soo grateful to have been friends.
Judy and I were delighted to be invited to the "land" several times a year including the guys duriing deer season. Beverly welcomed us with open arms - her nature.
Beverly was always gracious whether by the pool side with our noodles, when we ate "out," or at dinner at each other's homes. We always had fun and loved her.
Beverly, you will always be in our hearts memories and we thank the Good Lord for your friendship and many, many blessings.

“ Beverly was always a living and supportive lady. Keith and I met she and Sol when we began attending First Presbyterian. I always knew her love for God and how she showed everyone that love and light. I was inspired to be a better person by being at the Women's circle, Bible Study and Lunch and a movie with her.

“ I will never forget Bev. When I arrived in Longview, she adopted me as one of her family. She was the most giving, and compassionate person that I have ever met, and her love was always unconditional. Without Beverly's help, I would have not achieved some of my dreams. She took me to New York and Europe. She did not have to, but she did, and she did it because she loved me. She also completely supported me when I was going to school to become a teacher. She also took care of Bec when she was a baby, so I could go to school. Again, she did not have to, but she did, and for the same reason. She was an excellent cook, and it was another way to show her love; through her meals. Her meals were abundant and wonderful. She would share her recipes with me, and I inherited some of her traditional dishes to celebrate Thanksgiving, but I do not think that I can ever live up to those feasts that she used to prepare. I will miss you Bev. You were a sweet and caring person that I had the pleasure and honor to meet. We will meet again some day. Love you

“ My heart is hurting for each of you Daddy C., Chris and Mark. I spent so much time in your home growing up, that Mama C., became my second Mom. Her laugh, her smile and her hugs are engraved in my memories! Mark and I are sending you virtual hugs and are praying for you. May God wrap His loving arms around each of you and give you comfort and peace in the coming days.

“ Bev was one of my favorite persons in this world. We worked together in the church, vacationed together with our families, took trips together, shared meals, had lots of fun always. My love and sympathy to Sole, Mark and Chris and families.
