Cathy Ann Conrad (Howell), a beloved mother, grandmother, wife, sister, and friend died on August 11, 2020 at the age of 62 at her daughter's home in Nacogdoches, Texas.

Cathy is survived by her husband, Eddie Conrad; Her son and daughter-in-law, Jimmy and Hillary McClellan; her daughter and son-in-law, Brandy and Joel Pipes; Her stepson and son-in-law, Eric and Roger Conrad; Her grandchildren, Alexander and Maxim Pipes; her cousin, Conor Gene Howell; and her sister-in-law, Brenda Jones. She is pre-deceased by her parents, Violet and Conor Howell; her previous husband, Doyle McClellan; and her son, Michael Scott McClellan.

Cathy was a warm soul who dearly loved to laugh. She requested no donations or flowers, but simply wanted those that knew her to recall a fond memory and find a reason to laugh. She believed laughter was the secret to life. That is how she wants to be remembered.

“ So sorry for your loss. I was a client of MTH for nearly 8 years until recently. I was notified of Cathy’s passing via the newsletter. May you find and receive comfort in this difficult time and know the peace that passeth all understanding. God bless and keep you. Eric Beaty, Cookeville, TN.

“ I’m so sorry for your family’s loss. Cathy truly was a music teacher’s helper! She was very gracious and helpful to me and though I never met her, I will remember her kindness.

“ I've been a client of MTH for nearly a decade and interacted with Cathy many times. Her patient support and dedication must be an example of what her family has enjoyed from her for a lifetime. Sending my sympathies to her family and friends. Rest in peace, Cathy.

“ I've been a client of MTH for many years and interacted with Cathy many times and am so sad to read this news.

Cathy had a knack for making a person feel seen and heard, even in the totally non-personal world of internet customer support. There was a particular instance back in 2016 when there'd been an upgrade that was tough for my business and I ended up telling Cathy that I'd missed all the memos due to my Dad's stroke. The rest of the conversation had nothing to do with business. Cathy was so beautifully supportive and ended up sharing some of her own struggles. She then had the company send me a \$50 gift card to the Cheesecake Factory.

I needed support that day and found it from a most unlikely place (customer support from my invoicing/scheduling service?!) - though from what I'm reading about Cathy, it wasn't unusual for her at all.

Sending all my best to Cathy's family and friends. Rest in Peace, Cathy Conrad.

“ Cathy was a wonderful boss and coworker for almost 10 years. Her presence is missed daily. Her compassion and genuine care for her coworkers, and the customers that she interacted with, was enormous, and came through in all of her interactions.

“ I have been a client for 10 years so have had many communications with Cathy. It is such sad news to hear of her passing so young. She was always helpful and will always be remembered for her lovely support.

Rest in Peace Cathy
