

## Connie Jean Faulkner

November 25, 1937 - April 3, 2020

With heavy hearts we said goodbye to Connie Jean Faulkner, 82 of Longview. Connie was a loving Wife, Mother, Grandmother, Friend, and the epitome of Christianity. She is greatly missed by her church family at Trinity Baptist Church of Lakeport. Connie looked forward to her part-time enjoyment as a substitute teacher with Kilgore School District, and periodically volunteering as an usher at The Belcher Center. Born Thanksgiving Day, November 25, 1937. She was the 2nd of 6 children to Charles and Ruth Rust, of Indianapolis, IN. Connie was preceded in death by her husband David, sister's Phyllis, and Betty, and her brother John, and grandson Donovan. Connie and David were blessed for 41 years of marriage. Connie raised two outstanding children Lee Faulkner (Christy), and Pam Weidman (Mike). Connie adored her grandchildren Logan and Tyler Faulkner, Justin, Hannah, and her confidant Kelsea. Connie looked forward to Christmas to spoil her great-grandkids Asher, Bailey, Cora, Castor, Molly, And Lilly. Heaven is much brighter despite us losing a Truly Beautiful soul.

Connie will be buried beside her husband in Plainfield, IN with graveside services at a date to be determined, along with a memorial celebration with date to be determined at Trinity Baptist Church.

“ I have known Connie since she and I were in kindergarten together. We have maintained a lifelong friendship over these many years and whenever she came to Indianapolis we met with four other friends who had also gone to kindergarten with us. We were a special Little band of friends who never let go of each other. Even though Connie moved away we were always in touch through phone or letters or visits and she is one of the dearest people I have ever known. I always call Connie my glass brimming over Friend! How will miss her cheerful presence and her wonderful laugh and her kindness not only to me but to everyone who knew her. She had such a deep faith and I know that sustained her throughout her whole life. We had lots of fun as teenagers having a slumber parties, going to basketball games on Saturdays and to the movies and of course our famous eighth grade dance is which were always held in someone's home with the boys on one side of the room and the girls on the other side. We did get to share fun as young married couples do and even got to see a few of our babies born before they moved to Texas. I still remember all the pretty maternity clothes she loaned me because she had her first baby and then I had mine. Well I could go on forever and ever about my love for Connie rust Faulkner I love her so very much. May you her family find great peace and what a wonderful woman and mom you had and how she is now with the Lord that she loves so much. Blessings to all of you. “ Thankful that God allowed our paths to cross. Connie never missed a beat when it came to working for the Lord. All we had to do was call and she would be there. Thankfully her pain is over and she has reached the ultimate goal to spend eternity with Jesus.  
Love and prayers to all the family,

“ To Lee, Pam and all of Connie's extended families. Connie was the strongest woman I have ever met. She was strong in her faith, strong in her friendships and strong in her battle with cancer. Throughout her illness she had the best attitude of hope which inspired everyone around her. We could all take a lesson from her on dealing with life. I am just one of her many, many friends that will miss her sweet smile and friendship.
