“ We cannot share a memory of David, but we certainly want to be included with those
sending condolences to David's family. Hunter is one of our favorite neighbors, and
we are so aware of the great love and respect Hunter has for his Dad. Hunter, we are
so glad you and your Dad were able to go on the adventure trip this past summer,
and make so many memories that will always be a part of the rest of your life. Love,
Bettie and Marvin Ivie

“ I remember quality work done on my vehicles in the early 80's by David Williams. There was a picture of him clearing his land with a dozer in a collage in his office. Rest In Peace David. C.B. Smith, Council Grove, Kansas

“ Sheila, Chad, and Kelly, I am so sorry to hear about David. I can remember like yesterday the first time I met David when I was 13. He came driving up to Pop and Mimi's house in a hot rod 1958 Chevrolet two door convertible. (Came to see Bonnie) He was so cool. I have great memories of camping in Colorado and Arkansas together, thanksgivings at Mimi's, touch football games in the back yard (yes he could run pretty good back then). I later worked two years at his body shop business and found out what a perfectionist he was and such a hard worker. I watched him love his children. I pray comfort for each one of you. Love you guys, Uncle Phillip. Donna sends her love.

“ Dear friends,

I am so sorry to learn of David's passing. Have so many wonderful memories of David and John Moore's antics, over 30 plus years. He was a true friend to me. After John's death, in 2005, I knew I could always call David, regarding my auto repair needs. He was a trusted friend and how blessed am I to call him friend.

He loved his family, first. He also loved fishing.

My love and prayers are with you all, as you mourn the loss of such a wonderful man.
