“ The world has lost a great man, yet Heaven has gained such a sweet & precious soul. I had the honor of getting to know Mr. Adams when he became a resident @ HHRC. From the day he arrived he stole my heart! Never did I imagine that someone could touch my life in such a vast way in a short time, but he did! He was a man of many memories to share with all of us, on his good days and most were validated by his wife. He was a man who truly loved his wife and looked forward to her daily visits. (She always brought us goodies to share)...even though Alzheimer's is such a terrible disease, it never took away the one memory he held dear, Mrs. Mildred. We called her daily @ his request and he never forgot the telephone number! I always looked forward to his smile (which I got to see on Easter Sunday for the last time). I knew when he smiled, it was going to be a great day! I enjoyed the fishing stories and how he installed a telephone in every room of the house. I can truly say that it was an honor providing care for such a sweet and precious man. He helped me as much as I did him. The staff @ HHRC will truly miss him, and I know that I will for sure. Mr. Adams may you soar high in the Heavens above with the same grace and love that you left in our hearts here on earth. I will miss you terribly... May the Lord keep you safe till I see you again! I love you! Mrs. Mildred I love you and my thoughts and prayers are with you in your time of need. I am only a phone call away.
