<p>I was very saddened to learn of ED's passing. He was my very dear friend and fellow Buick car enthusiast when I lived in Tulsa, Oklahoma in the 1980s. Together we formed the Oklahoma Chapter of the Gran Sport Club of America. What I remember most about Ed was his passion for Buick musclecars, willingness to help a fellow car nut, and his always calm
 demeanor. He was always a gentleman and I will miss him dearly.</p>

<p> My condolences to his family,</p>

<p>Eddie was the first person I ever heard say "Howdy doody!" This was long before the "Peanut Gallery" and the puppet was ever known of and also when Ed was only a very little boy! I must have been about 6 the first time I heard him greet us with that cute phrase! Hard for some people to grasp but he was my first and third cousin. His mother was my dad's sister and his father was my mom's cousin! We all have some sweet childhood memories which will live on! Rest well Ed.</p>
