“ I have known Gloria for 25 years. She always had a smile and could always make me laugh.
But I also know she was very protective of the people she cared about!
I'm really missing her. Fly Angel Fly God has another guardian Angel looking out for his Children.

“ Gloria was my neighbor when I moved to Longview and later became a good friend. She brought me to one of my best friends, her daughter Tiffany. I am saddened to hear of her untimely passing. She was a warm soul. She was very funny and had a way of making people feel comfortable. She also took no crap. Gloria you will be missed and thank you for all the laughs and smiles you gave my family and I.
