“ I was sorry about the death of David's mom and wanted to offer both of you my condolences. I lost my mother in March, and it feels strange not having her here. I also noticed she had hospice care, and though they are wonderful, I hope it was not too hard on you.

I still remember when you two moved here--the Methodist, postal, guitar playing/singing man and his beautiful wife. It's been my pleasure to "keep up" with the two of you ever since.
