“ Kevin & Vicky,

I have just found out about your mothers death . I used to go to TBC with all of you in the late 70's. I sang in the choir with both of your parents along with Jean and Bo Lee. I was a bus kid that was brought in to the fold from the first step I took into the church. I will never forget once I needed money to attend a youth event and your parents were so gracious as to help me attend. That has always stuck with me 30 years after I left TBC and Henderson. The smile, the love and compassion from both will always be remembered. Know they are together again and it is only so long for a little while. My thoughts are with you all in the days ahead. God's grace.

“ Dear Kevin and family,

I'll be praying for all of you during this time-it is never the right time to lose a loved one!Although, I didn't know your mom...I know that children are a reflection of their parents-so they must have been great people to raise such a great guy like you and to have a great family too! What a blessing for a mom too!  
Just know, I'll be thinking about all of you...because it is a huge void to "all" when you lose someone so special, and I know she was very proud of you and your family too!Your favorite client,

“ I have very fond memories of Ray and Jean. Jean was always very friendly in a store or on the street, and Ray must have had the slowest back-swing in golf.

“ We were in Henderson just a few weeks ago for the first time in many years and just happened to stop by and see Mrs. Cashion. I'm so glad we did. While she did look frail, her appearance was just as perfect as I remember her from our days at Trinity Bapt. in the 70's. We enjoyed our short visit and seeing pictures of everyone. She was very proud of you all. We rejoice with her and pray for peace and comfort for you today and the days ahead.

Sincerely,

“ Our thoughts and prayers are with you today, Kevin & Vicky, along with your families. Sam and I have known Jean a long, long time - back in the days when it was Jean & Ray, Pat & Zeb Deck, Bill & Shirley Smith, and me and Sam! You probably don't even remember those people! We had lots of good Christian fun and laughed so much - we so treasured our Friday nights together. Jean has always been there for my family - we will miss her Christmas Cheese Roll; she always supplied a roll of crackers to go with it because she knew I had no self control and had to eat it right away. She also never missed sending love & support to our son Clint & his family as he is serving in the Army. Like Keith said today, that was just Jean. She was always thinking of others. Her passing leaves a void in our lives, but we know she is with Ray in Heaven, and we know her smile is lighting up Heaven tonight. We love you all.

“ I will miss my 'get away lunches' with Miss Jean. She was a very special lady!! My memories will always be with me of the silly things she and I would come up with to slide around and do without getting caught. Nothing bad....just fun things!

“ What a lovely and wonderful Christian woman Jean was, such a pleasure to have gotten to really know her. We had gotten very close the past couple years and I always considered her my extended family. Through her illness as not only my patient but as my very dear friend I was able to spend alot of precious time with her and knew her faith in God. The comfort that I have about her death, is knowing she no longer is in pain and one day I will again be able to spend wonderful times with her in Heaven, where she now is with our Lord and Saviour. I know how much she loved her family because she always spoke so highly of them all, telling me of their love and support for her. Watching her grandsons play ball this year was the highlight of her spring! She will always remain very special in my heart and I will miss her very much.
