

Richard "Dick" Williams

September 20, 1936 - June 29, 2020

The family and friends mourn the passing of a loving father, husband and PawPaw.

Richard "Dick" Williams born on September 20, 1936 went to be with Jesus, his Savior, June 29 at 12:30 a.m. Leaving a wife, Carolyn Williams, two brothers, Pat Williams and Bob Williams, five children, Rick Williams, Roxi Gearhart, Wendy Hays, David Richardson and Susan Davis. He was blessed and loved by his sister-in-laws and brother-in-laws, 9 grandchildren, Jason Richardson, Chris Davis, Amanda Richardson, Schuyler Johnson, Zachary Thompson, Timothy Hays, Riley Hays, Mollie Williams, Abby LeGrand and 12 great grandchildren. He was preceded in death by a son Michael "Mike" Williams, Mother, Winifred Williams and Father, Leonard Williams.

His love for the game of Golf and being a member of P.G.A. lead him to develop the Ark-La-Tex Jr. Golf Tour. With over 400 thousand rounds of golf, giving up his summers was a way to develop the future of the sport which is growing by leaps and bounds. In 1999 he had 400 youngsters sign up as members. He was richly blessed by the difference they made in his life and hoped the same for all who participated.

Being a simple man, his request was to not have a funeral because of the virus and be cremated. Those wishing to show love by donations, in lieu of flowers, can donate to Forest Hill Baptist Church. A small but very powerful church that Dick loved dearly. 21858 FM 449 Longview, Tx 75605

Comments

“ Mr Williams used to give us boys rides to his Jr Golf Summer Tournaments in the 80s. Great memories of bologna sandwiches and 18 holes! He helped shape so many of us. I always appreciated it.

“ So glad we got to visit at the 1954 Class Reunion last summer. I am so proud of all you did for the young men on the golf course. That was a well written article about this in the Longview paper.
My thoughts are with Carolyn.
