“ What can be said other than she was a wonderful, loving Mother, grandmother and friend. I will never forget her teaching me to knit with one hand in the 7th grade. She was patient and kind. I got to see Mrs. Suber in her later years during my Senior Care jobs. I still have to this day a couple of "Africans" as she called them (afghans) that she knitted and gave my daughter and me. I love you Mrs. Suber and my prayers go out to Janet and the entire family. See you in Heaven.

“ As a little girl, I knew her as Sister Suber. I have fond memories of her and her husband at Pleasant Hill. After his death, she remained ever so faithful. At Chalice Apartments, she was a kind friend to my grandmother when she developed sun downers syndrome. Sister Suber would see to her. A precious lady who is bound to have a crown full of rewards.
